

Hi All!

The 2015-16 season certainly ended on a high note. There seemed to be so much positive energy in the church hall at our last meeting. The amount of charity work that was presented to go for worthy causes was overwhelming. Our club should be very proud of themselves. Committees are in full swing: The program committee will be meeting over the summer so that there will be a strong program presented in the fall; the by-laws committee is meeting and will be presenting an updated version at the end of summer to be voted on in the fall; and Nick and his quilt show committee are hard at work to make sure our October quilt show is the best ever. Almost half of our membership are either chairing or actively on a committee. If you want to be on a committee, please contact me and I will make sure that happens. Also, if you have an idea for a program or workshop, please contact Lyz Covert. Remember this is NOT the officers' club...THIS IS YOUR CLUB and we want to meet YOUR needs. One last thing...if you know of anyone who is sick or needs "sunshine", please contact Pat Ientilucci so that she can send a card out.

**The Irondequoit Quilt Club received the following invitation:**

Greetings from the Pulteney Fireman's Auxiliary! We are hosting a craft sale on July 23. Many of our members are vendors of our own quilting group: the "Tuesday Morning Strippers". We are hoping that you will share this information with your members and come on out to Keuka Lake and our sale. What a great time for a road trip to take in the scenery, a winery, lakeside dining, and all the handcrafts to be found along the wine trail: pottery, antiques, quilt shops and more. All proceeds benefit the Pulteney Fire Dept. & Auxiliary. See you there!

Yours in Stitches,

Rita Finley, President PFA

Several members requested the Blueberry Salad that Bobby DeGraff made at our last meeting, so here it is:

Blueberry Salad

2small pkgs. Red raspberry Jello

2 small pkgs. Lemon Jello

2 cups boiling water

1 cup cold water

2 TBS. lemon juice

2 cans blueberry pie filling

- Mix well, refrigerate overnight; cover top with sour cream

ENJOY YOUR SUMMER....SEE YOU ALL IN SEPTEMBER!

Sandy Bubel, President
