### *President's Message*

May's meeting did not disappoint us. Once again, Sharon Stroud did a hands-on presentation that I know by the response at the end of the meeting was very much appreciated and enjoyed. Some of us have to work on our artistic abilities (like me) while others excelled. I am sure that everyone walked away from the meeting feeling like they learned something. Hat's off to Lyz and her program committee for inviting Sharon to our club. The program committee met in May and another strong program year is ahead of us. Stay tuned, more information to come.

I forgot to mention at the May meeting that only two people showed interest in participating in the block-of-the-month next year. Judy Merritt needs 15. I will bring it up at June's meeting to see if there is interest to go forward.

Both Melissa Manney (Refreshment host) and Pat lentilucci (Sunshine) are stepping down from their chairs. Both have done an outstanding job and our heartfelt thanks goes out to them. I had the nicest surprise at the end of the meeting; Debbie McCracken volunteered to be next year's refreshment chair. Thanks, so much Debbie!!! We now need someone to take over Sunshine. If you are interested, please let me know. It is important to let members needing a little "sunshine" be remembered.

Finally yet importantly....June's meeting: The club will be providing pizza, salad and water for end-of-year celebration as a thank you for all the hard work on the quilt show in October and the support you have shown to the executive committee all year.

"Planning for the Boutique Table for 2018's Quilt Show is already underway! As always, we will need support from our club members not only to volunteer for our boutique committee but with your thoughts and ideas for items to be sold on the Boutique Table. Please consider joining our boutique committee...we will ask for your support by attending our first planning meeting this September, where we will ask you to bring any pattern ideas that you'd like to see presented to the club. Everyone is welcome, especially new members. This is an easy way to get to meet other members in the club. ## Charity Coordination – Lucy Donalies

Thank you for the completed quilts that were brought to the May meeting. Because it was so late when the program concluded, we did not “Show” the completed quilts. I put them in the storage room. Let’s show them at the June meeting.

We will continue to have Easy Patterns, Kits, Batting and the donated Fabric in the storage room for your use in making Charity Quilts, Walker Bags and Shirt Savers.

There should be enough completed quilts and walker bags in the store room to make another distribution this Summer.

## 2018 Quilt Show Update – Laurie Fromm

The first meeting for the quilt show was held on Monday, June 5<sup>th</sup>. I was overwhelmed with the attendance! We set up all the committees, discussed the draft budget, and general discussion about the show. I would like to have co-chairpersons for each committee so that multiple people will learn the jobs and there will be backups when needed. This is an excellent way for new members to help with an event, meet new people and become involved with the club. If you would like to help co-chair a committee, please let me know. We could use another person for publicity, vendors and signage. Thank you in advance for your help and support, we need the entire club to make this a successful show!
