President's Message

Hello everyone,

What a great first meeting of the season; it was wonderful to see so many of our members come back. Thank you to all of you who paid their dues so far, if you haven't paid please do so at the October meeting. How did everyone like the new format? Do you like having snack and social time prior to the business portion? Let us know.

Nick, thank you for presenting. Your quilts and costumes (I would love to see more of those) are breath taking. You are truly a remarkable artist and an inspiration!

Its hard to believe our show is less than a month away. Please keep selling the raffle tickets, making items for the boutique and if you have another quilt you would like to show contact Jean.

I want to thank those of you who shared feedback on my message regarding charity, my intent was not to "alienate or scold" anyone. When I take on new responsibility, like being President, I tend to put forth 150%, especially if it's something I am passionate about. My passion tends to get carried away. But thanks to the feedback I learned that there is a ton of charity work being performed by our members outside of the club (homemade hats & mittens for needy children, hats for the preemie

Lyz Covert & Teri Rideout remind you to make your challenge quilts! Challenge quilts need an entry form submitted.

Silent Auction

Liz Brown has been collecting items valued at \$15 or more for the silent auctions. New items or used items in good condition include wall hangings, table runners, purses, quilts or gift baskets with several related items. Other items could include complete kits, fabric or needle work, antique items, orphaned quilt blocks, book and ruler sets you have not used, etc. If you have any questions call Liz at 465-3888. Auctions will have end times periodically throughout the show to prevent last minute frenzy and allow winners to claim items while the show is still in session. This is a money maker for the club thanks for the generosity of our members and helps fund our site rental, sew days, and charity quilts. Thanks you for your help.

Boutique

Monique Liberti and Vanetta Parshall are still looking for your handmade items valued up to \$15. Items that we have sold in the past include potholders, placemats, aprons, burp pads, small stuffed toys, sewing machine mats, thread catchers, tote bags, trick or treat bags and cell phone cases. They have a form to complete when you turn in your items. This basically lets them know what you made, how many you made, a suggested price if you could, and disposition of unsold items. Items not sold will be donated to a charity.

The final day for items is at the October 22nd meeting.

Last, but not least: ***a show is for fun!*** Volunteer and get to know the wonderful, crazy people of IQC. The time we spend together helps create friendships and helps you become a more creative person. We look forward to working with old friends, and getting to know new ones!
