

Serger Card Holder

The perfect size to hold gift cards or business cards!

Finished size closed: 2 1/4" by 3 3/4"

Set up your serger for a 4 thread overedge stitch. Thread color is not important because the thread will not show.

Fabric:

Outside/lining-5 3/4" x 4 3/4". You will need two pieces; they can be the same or different.

Pockets-two 4 3/4" x 4 3/4" pieces. Fold in half, wrong sides together, and press well.

Stack the fabric:

Outside fabric right side up.

Lay the pockets on next, lining up the raw edges.

Place lining fabric right side down.

Serge:

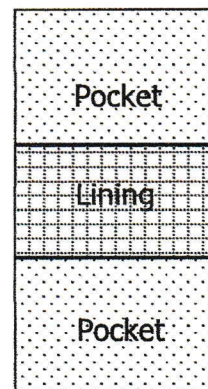

Align fabric stack so the knife trims off 1/8", serge both long sides, being careful not to let the pockets fall out.

Turn.

Serge the two short ends.

Turn the pockets and push out the corners.

Done! Do a happy dance because this is so easy!

Finished project will look like this on the inside.
