Officers

It is that time of year to select officers for the coming year. Every year each officer position is up for election. For the upcoming year, other commitments mean several of the officer positions will be open. Anne Burton, Treasurer, would be willing to act as Treasurer for one more year. The officer positions are as follows:

President – Conducts and presides over all meetings, maintains order, appoints committee heads, sign money requests to Treasurer, call special meetings, and other duties appropriate to the position.

Vice President - Assists President, preside over meetings in President's absence, plan calendar events for the year

Secretary – Accurately record the minutes of all meetings, keep membership list, publish the newsletter each month

Treasurer – Collect all monies including dues, make timely deposits and payments for obligations and record transactions, oversee the budget, submit finance statement for the newsletter, maintain checking account

and collect receipts for expenditures.

Running a club of this size is a challenge shared by many individuals. You can play a part in this important function of the club by taking on a leadership role and help shape where the club will go in the future.

So positions are available, let's put together a great team for next year!

Opportunity Quilt Sign-up Sheets

Raffle tickets will be sold over the next 10 months in order to raise funds for the IQC.

Volunteers are needed for 2-hr time slots to help sell raffle tickets at quilt shows, Farmer's Market dates, Windmill, and Webster Village Days.

Please consider volunteering for one of these time slots. Please see Lin Mocejunas to sign up or call 288-2447. The sign-up sheets will be located at the table with the sign-in sheets at the March IQC meeting.

Website

Just a quick note to say that the web site has been improved with a whole new look. The links have all been repaired and the newsletters have all been posted (except for April 2002-that one is missing).

I hope you enjoy it and if you have anything you would like to add, please let me know.

Programming

A huge thank you to all the presenters at the February meeting. The really great thing about a program like this is realizing how incredibly talented our members are. Everyone did a great job.

For March, we are expecting Carol Taylor to do a presentation. As mentioned at the meeting, Carole is flying in just before the meeting, so in the event that things are off schedule, Christy suggested everyone bring a book for show and tell.
